INFORMATION DISCLOSURE STATEMENT UNDER MPEP §609

Sir:

Pursuant to 37 CFR §1.56, §1.97, §1.98, and MPEP §609, applicant encloses form PTO/SB/08A for consideration by the Examiner. Further to OG Date: 05 August 2003, the U.S. patent references are not enclosed. The references are discussed/cited in the enclosed European Search Report, date of completion of 19 January 2007, from a corresponding European application of a co-pending application, (USSN 10/529,292), that may be considered related to the above referenced application.

Each item of information contained in the information disclosure statement was first cited in any communication from a foreign patent office in a counterpart foreign application not more than three months prior to the filing of the information disclosure statement. 37 CFR 1.97(e)(1).

Each item of information contained in the information disclosure statement was cited in a communication from a foreign patent office in a counterpart application and this communication was not received by any individual designated in §1.56(c) more than thirty days prior to the filing of the information disclosure statement.

The listed references are being cited only in the interests of candor and without any admission that they constitute statutory prior art or contain matter which anticipates the present invention or which would render the same obvious, either singly or in combination, to a person of ordinary skill in the art.

Favorable consideration is respectfully requested.

Respectfully submitted,
